

CENTRAL FACILITIES GROUP – fully outsourced housekeeping solutions

Celebrating 35 years in business

The Central Facilities Group has a staff of over 2,500 providing intelligent, fully outsourced housekeeping solutions to a broad spectrum of clients including serviced apartments, aparthotels and hotels.

Established in 1982, we place our passion for delivering a high quality service – ensuring consistency in standards and presentation – as being key to our company’s longevity and success. Customer service is CENTRAL to what we do.

We are proud to work for leading hospitality brands and have growing operational hubs strategically placed throughout the UK and Ireland.

With a proven track record for adding value to businesses, we ensure your guests have the best possible experience during their stay.

We believe in true business integrity and offer a fully inclusive package:

- From new-build to TUPE transfers
- **Designed to your unique housekeeping requirements**
- Recruitment, induction, training and development
- **Housekeeping equipment and cleaning packages**
- Professional housekeeping team presentation and guest interaction
- **HR on-property support**
- Housekeeping / client support visits
- **Cutting-edge electronic housekeeping audits**
- Price per apartment packages for easy budgeting purposes
