

Katten

Few law firms are as immersed in the hospitality sector as we are, and there aren't many issues that our dedicated hospitality lawyers haven't dealt with.

With a roster of longstanding clients, many of whom are leading industry names, our expertise spans the full spectrum of legal matters in the hospitality and leisure sector including buying and selling assets and investments, hotel development, management and operational agreements, as well as issues around tax, litigation, employment, IP and compliance.

Our clients range from prestigious international groups to owner operators and small boutique hotels as well as serviced apartments both in the UK and other international markets including US, Europe, Asia, Africa, the Middle East and Australia. In fact our ability to negotiate deals spanning multiple different cultures is one of the reasons our clients rely on us.
