

MATTISON®

CONTRACT BEDS

INDUSTRY PARTNER

MATTRESSES | DIVANS | HEADBOARDS | SOFA BEDS

With a range designed exclusively for the commercial market, Mattison Contract Beds is one of the industry's leading manufacturers of contract quality beds with over 150 years of experience. As a UK manufacturer, Mattison Contract Beds produce mattresses, divan beds, headboards, sofa beds, guest beds, metal beds, bunk beds and bedding accessories which all comply with UK fire regulations. With an extensive portfolio of clients including Serviced Apartment operators, Mattison Contract Beds also support leading group and independent hotel chains, education accommodation providers, holiday parks and cruise ships. Mattison Contract Beds work directly with clients or with their interior designers supplying beds for business - designed for demand.
