

Accommodation Differentiation for Property Partners

Differentiate your property on quality, service and value, while being in complete control of **your** corporate relationships.

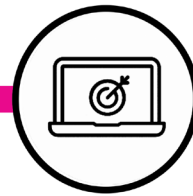

Direct Corporate Clients

Improved Efficiencies

Reduced Booking Costs

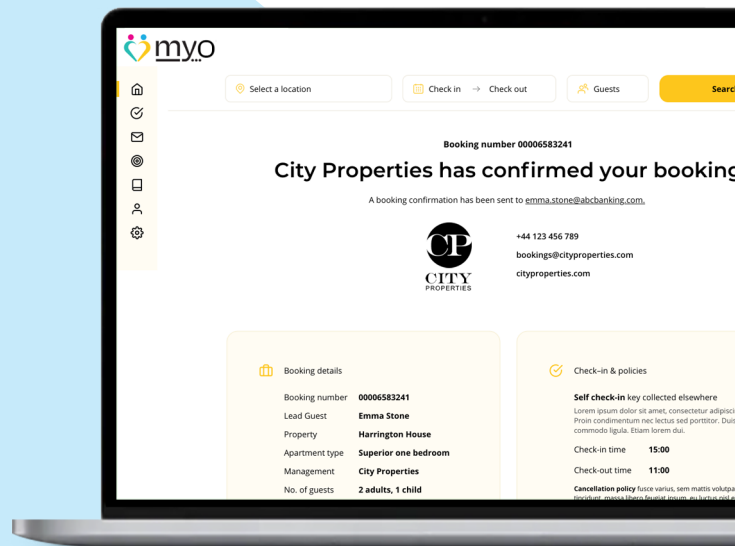

Smarter Booking Management

Why Mysa?

A community of operators who provide amazing quality, impeccable standards of hospitality and the highest levels of hygiene, safety and security.

Myo, our ecosystem, allows you to showcase your property and hospitality credentials directly to corporate partners. Take control of your corporate relationships!

Myo Means...

Differentiate on quality and value

No commission so control costs and improve margins

Accurately forecast and predict growth

Open and fair ecosystem - be invited to all our corporate partner's RFPs

Your New Community

We are building a fair and responsible ecosystem, removing barriers and encouraging close collaboration so everyone enjoys greater value.

Our aim is to create a conscious community prioritising safety, wellbeing and reducing our environmental impact... so everyone benefits.

Working Together For Client And Guest

Quality accommodation provided by conscious operators

Dynamic booking experience and efficiencies for both you and the guest

Complete autonomy and control to showcase impeccable hospitality

Management data and intelligence to support maximum inventory availability

We help create new direct corporate relationships and reduce costs.
